RE: AMENDMENT #04-25 TO THE 2004 REGIONAL
TRANSPORTATION IMPROVEMENT PROGRAM (RTIP)

Dear Mr. Chittenden:

Under authority granted to me by the Southern California Association of Governments (SCAG) Regional Council, I hereby approve and transmit amendment #04-25 for Orange, San Bernardino and Ventura County.

This amendment is updating the Highway Rehabilitation Program lump sum projects to add FY 2005/06 and 2006/07 for consistency with the 12/13/05 bridge program. There are projects that are ready for delivery and Caltrans local assistance cannot proceed without approval of this amendment.

This amendment:

- Is consistent with the adopted 2004 Regional Transportation Plan (RTP): and
- Does not affect the regional emissions analysis for the RTIP;
- Does not affect the timely implementation of the Transportation Control Measures;
- Does not adversely impact financial constraint.

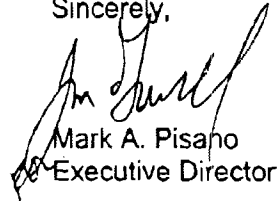

Furthermore, under authority granted to me by the SCAG Regional Council I hereby approve the reaffirmation of the conformity findings for all federal non-attainment and maintenance areas in the SCAG region. The conformity findings for both the 2004 RTP and the 2004 RTIP are reaffirmed for all applicable pollutants, including regional emissions analyses, financial constraint test, timely implementation of Transportation Control Measures (TCMs) report, applying the use of the latest planning assumptions and the latest approved emissions model, reaffirming consistency between the adopted 2004 RTIP and the adopted 2004 RTP, and reaffirming the process for interagency consultation and public participation.
